# ECO Inline Traveller Water Filter Kit

MODEL: K-C-ECOINLINE

## SPECIFICATIONS

|                                      |                                      |
|--------------------------------------|--------------------------------------|
| Service life/change cartridge        | 12 months*                           |
| Working Pressure                     | 10–175psi (70–1200 kPa)              |
| Temperature                          | 2–38°C                               |
| Height to allow for cartridge change | 335mm                                |
| Width of filter head/cartridge       | 225mm                                |
| Flow Rate                            | up to 8 litres per minute            |
| Burst pressure                       | exceeds 3,500 kPa as tested by CSIRO |
| Warranty                             | 5 years                              |

\*Service life will vary according to flow rate, influent line pressure and local water conditions.

## PERFORMANCE

Certified to remove/reduce:

- Sediment and rust particles
- Chlorine
- Bad taste and odours
- Bacteriostatic - includes KDF media to protect against bacterial growth.

## INCLUSIONS

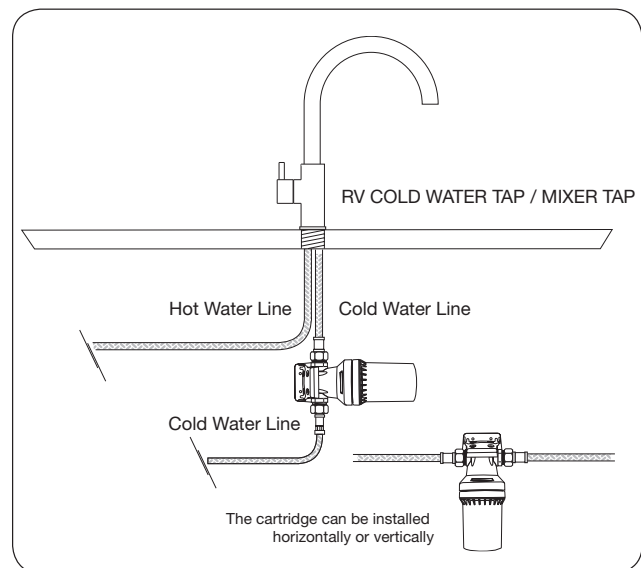

- WFA Filter Head with Mounting Bracket
- WFA ECO Inline Traveller Cartridge
- Mounting Screws
- John Guest fittings (x2) 3/8" Male to 12mm tube connect
- Filter Monitor Alarm
- Plumbing Tape
- Owners Manual
